### 1. NASAA ORGANIC STANDARD

I have read and understood the NASAA Standards and agree to comply with their requirements. These may be down loaded from ([www.nasaa.com.au](http://www.nasaa.com.au)) or purchased from NASAA at AUD \$50 (inc GST).

### 2. HOW NASAA WILL HANDLE INFORMATION SUPPLIED TO IT:

NASAA is committed to handling personal information about you in accordance with the Privacy Act. NASAA may collect and hold information about you for the purposes of assessing, reviewing and making decisions about your suitability for NASAA/ORGAA/JAS/NOP certification; maintaining that certification over time and providing information on services and products that NASAA considers may be useful and informative. You may have access to your personal file held by NASAA. NASAA will handle all such personal information confidentially and will not divulge it to any party outside NASAA without my written permission except that:

- a) Generalised information may be extracted to be used for statistical purposes without disclosing personal details;
- b) NASAA may release such information to those bodies to which it is accredited and other certifying organisations in some circumstances as well as meeting any lawful obligations imposed upon it by statutory authorities;
- c) NASAA may publish notice of your certification (if granted) on its website and will include your general certification details on a list, which shall be available to the public on request;
- d) NASAA may disclose copies of your Certificates of Registration for the current and three previous calendar years to the general public;
- e) For USNOP applicants only: NASAA may supply copies of any laboratory test results for the current and three previous years to the general public on request.

### 3. DECLARATION

I provide the above information on the understanding that it is confidential and will be used only by NASAA within the terms outlined under Section 2 above. I understand that if the information I have supplied is incorrect, my application shall be null and void. I agree to supply to NASAA further information on my operation if requested to do so.
