1. STANDARDS

All applicants must have read and understood the relevant Canadian Organic Production Systems General Principles & Management Standard and the Organic Production Systems Permitted Substances List.

2. PRIVACY & CONFIDENTIALITY

- a) NASAA CERTIFIED ORGANIC Pty Ltd is committed to handling personal information about the applicant(s) in accordance with the Privacy Act.
- b) NCO may collect and hold information about the applicant(s) for the purposes of assessing, reviewing and making decisions about the applicant(s) suitability for certification; maintaining that certification over time and providing information on services and products that NCO considers may be useful and informative. An applicant/licensed operator may have access to their personal files held by NCO.
- c) NCO will handle all such personal information confidentially and will not divulge it to any party outside NCO without the applicant's written permission except that:
 - i. Generalised information may be extracted to be used for statistical purposes without disclosing personal details
 - ii. NCO may release such information to those bodies to which it is accredited and other certifying organisations in some circumstances as well as meeting any lawful obligations imposed upon it by statutory authorities.
 - iii. NCO will publish notice on its website of the applicant's application and of their certification, if granted.

3. DECLARATION

I provide the above information on the understanding it is confidential and will be used only by NCO for the purposes of this application. I understand that if the information I have supplied is incorrect, my application shall be null and void. I consent to the use of subcontracted inspection personnel and laboratories as required.
