Market management

The general requirements for NASAA certification are that a minimum of 20% (and not less than one stall holder) of individual stall holders who handle must be certified by a retail certification scheme such as ORGAA from the time of application for Market Certification.

If ORGAA certified market stalls constitute less than 20%, then please specify how this requirement will be met indicating a specific time line.

Please indicate your management strategies that will meet the 20% requirement on any specific market day.

Market Contract

Please provide a copy of your contract between market management and the individual stall holders, indicating that NASAA's requirements have been included without any changes.
