

Please hand your completed OHP to the inspector on the day of inspection. Thank you!

PROCESSOR'S ORGANIC HANDLING PLAN UPDATE

All NASAA Certified Organic (NCO) licensees are required to complete an Organic Handling Plan update on an annual basis to capture any changes that have occurred to your operation during the preceding year.

All sections need to be completed – use N/A (not applicable) if a question does not apply to your operation. Please use additional sheets of paper if necessary.

PO Box 768, Stirling, SA 5152

<input type="checkbox"/> Environmental Issues	<i>NASAA Organic Standard section 9.9</i>		
<input type="checkbox"/> Product Recall	<i>NASAA Organic Standard section 9.10</i>		

Please hand your completed OHP to the inspector on the day of inspection. Thank you!

DECLARATION OF INPUTS FOR THE 12 MONTH PERIOD PRIOR TO INSPECTION.

This section must be completed each year. You must record **every** ingredient, agricultural product, processing aid and additive used during the 12-month period prior to reinspection. You must complete this declaration **prior to your inspection** to enable review and re-contracting of your certification.

List processed products requested for inclusion under organic certification:

Please attach additional paper if required

PRODUCT # 1:					
Ingredients	% Weight to weight	Certification Level	Certifier	Certificate Expires	Product Acceptance
Comments:					

PRODUCT # 2:					
Ingredients	% Weight to weight	Certification Level	Certifier	Certificate Expires	Product Acceptance
Comments:					

PRODUCT # 3:					
Ingredients	% Weight to weight	Certification Level	Certifier	Certificate Expires	Product Acceptance
Comments:					

Please hand your completed OHP to the inspector on the day of inspection. Thank you!

ANNUAL ORGANIC REGISTER:

Please provide the quantities, suppliers and dates of all incoming raw certified product/ingredients that you have handled, processed, packed, stored, sold/exported in the period since last inspection.

Date Received	Supplier	Organic Product or Ingredient (also indicate variety if relevant)	Total Quantity Received (raw materials)	Quantity used in NCO Product	Quantity in "Other" (ie, storage, conventional product, non-NCO product)	Conversion Factor (average ratio of raw material to finished material)

Are you using any ingredients in a NCO product that are with a certification agency other than NCO:

YES NO

If yes, provide details: _____

I/we declare that all information supplied is true and accurate. I affirm my commitment to abide by the NASAA Standards. No prohibited products, including genetically engineered products, have been used, applied, or otherwise allowed to compromise the integrity of the organic products produced and sold by me. I understand that failure to follow the NASAA Standards or giving false information may result in the de-certification of my operation. I further understand that the operation may be subject to unannounced inspection and/or sampling for residues at any time.

Signed _____ Date _____

Witnessed _____ Date _____

(NB The witness should be an adult who is not signatory to the operator's NCO licence).
