1. The NASAA Board has final approval on any website advertising, and may refuse to accept advertisements without providing reasons.
2. NASAA may accept advertising from any organic operation certified by NASAA. NASAA will not accept website advertising from organic operations not certified by NASAA.
3. NASAA may accept advertising from non-certified advertisers, provided that such advertising makes no reference to the term 'organic' or 'biodynamic' specifically in relation to the naming of the organisation, and/or in relation to the scope of their activities. (Excludes organic and biodynamic growers or organisations and associations)
4. NASAA may accept advertising from external organisations in allied industries or related fields on a case by case basis, where such advertising is in the interests of our readers.
